Important Information

Cassidy West, Inc. sells wholesale to the trade only. Products featured in our catalog are only available for purchase by Designers and Distributors. Suggested retail prices appear in this catalog. A trade discount is available to approved Designers and Distributors by completing and submitting a New Account Agreement prior to placing your first order. Cassidy West products may not be sold from a display board, website or shelved in a retail setting without a written retail merchandising agreement.

If you are not a wholesale customer, please contact Cassidy West for a designer/distributor referral.

Unless you previously established an "open account" all orders must be prepaid by Visa, MasterCard or American Express.

All sales are subject to the attached *Terms & Conditions of Sale*.

Ordering Information

Please use our order form to ensure accurate and timely delivery of your orders. Order forms are available on our website at www.cassidywest.com.

Please email orders to orders@cassidywest.com or fax completed order forms to us at (760) 598-7292.

Our catalog features unique finials in a variety of programs available on 1" and 1 1/2" custom metal rods, 1" adjustable metal rod sets, and 1 3/8" and 2" wood sets. All finials are custom made to fit a specific rod diameter and may not be available on all rod diameters. Custom iron finials may be permanently welded or affixed to the rods and may not be interchangeable.

To simplify pricing, custom iron rods are priced in two foot increments, although the rod will be manufactured to the precise length specified on your order form. Finials and standard brackets are included in the price of each rod set, with the exception of inside mount rod sets which don't have finials.

Rod Separators

Custom Iron Rods

A rod separator is a male/female connector piece that joins two rod segments. A rod separator is used on all custom iron rods wider than 72" to accommodate shipping and the use of rings. For rods wider than 72" but less than or equal to 144", the rod separator will be placed in the center of the rod (forming two rod segments). For rods wider than 145", the rod will be made using three equal length rod segments joined together using two rod separators.

Turned Wood Rods

A rod separator is used on all wood rods wider than 72" to accommodate shipping. The rod separator will be placed in the center of the rod to connect the two equal length rod segments.

Returns

All drapery rods are custom made to your specifications and changes are not possible once your order has been confirmed. No exchanges or refunds. Rings, standard brackets and tiebacks may be returned within 30 days of shipment date, when authorized by Cassidy West, and are subject to a 25% restocking fee. Return authorization number required. Purchaser responsible for return shipping.

Warranty

Cassidy West warrants all its products to be free from manufacturing defects in materials and workmanship. This warranty does not apply to normal wear and tear, damage from mishandling or inappropriate installation, abuse or exposure to climatic conditions over which Cassidy West has no control. This warranty is limited to the replacement of the defective item only.

Delivery

Standard orders are shipped within 10 business days and are delivered via FedEx Ground. Please allow for up to 5 business days transit time. If you would like your order shipped sooner, you may request a "rush delivery" to have your order shipped within 5 business days. A 20% rush fee applies. Orders to Hawaii or Alaska must be shipped via 2nd Day or Next Day Air (additional charge applies). Shipping charges, express delivery and rush delivery fees/options are listed on our order form. Any shortage must be reported within 7 days of receipt of order. Purchaser assumes full risk for loss or damage during shipment.

PLEASE DON'T HESITATE TO CONTACT US AT (800) 755-2748; BUSINESS HOURS ARE 8:00AM - 4:00PM pacific time, MON-FRI
